SPECIAL ABBREVIATIONS

G-st (garter stitch) – knit every row.

st-st (stocking stitch) – Row 1 (RS), knit, Row 2(WS), purl.

W&T (wrap and turn work) slip the next stitch purlwise: bring yarn to front: place slipped stitch back on left hand needle, turn work.

The yarn amounts stated are based on average requirements and are therefore approximate.

TENSION 14 sts and 20 rows to 10 cm, 4 in, over stocking stitch on 6 mm needles or the size required to give the correct tension.

TENSION 14 sts and 26 rows to 10 cm, 4 in, over garter stitch on 6 mm needles or the size required to give the correct tension.

It is essential to work to the stated tension to ensure the correct size of garment and you should always knit a tension square.

If there are less sts and rows to 10cm, 4in, change to finer needles if there are more sts and rows to 10cm, 4in, change to larger needles.

Instructions are given for the first, smallest size. Larger sizes are given in square brackets. Where only one figure is given: this applies to all sizes. Where the figure 0 appears, no stitches, times, or rows are worked for this size.

After casting off, one stitch will remain on the right hand needle which is not included in the instructions that follow.

Although every effort has been made to ensure that instructions are correct, Stylecraft cannot accept any liabilities.

Stylecraft cannot accept responsibility for the result of using any other yarn.

Owing to photography and printing restrictions the colour reproduction is matched as closely as possible to the yarn.

Special Note: This pattern has been designed with two necklines. A simple cast on, cast off technique suitable for beginner knitters and an integral neckline shaping for more advanced knitters.

Cast on Cast off Neckline is done by shaping the neck and then picking up and casting off the pickup stitches to create a continuous cast off edge.

Integral Neckline is done using short row shaping technique.
